Goodwill Industries Launches Staffing Company

Goodwill Industries of Central Indiana, Inc. announces the launch of a new staffing company, **Goodwill Staffing Solutions**. The first of its kind in Indiana, Goodwill Staffing Solutions is a full-service employment agency offering temporary, temp-to-hire and direct-hire placements. Goodwill Staffing Solutions specializes in entry- to mid-level placements in fields such as administrative and clerical, health care, logistics and warehousing, and janitorial services.

In addition to being backed by Goodwill's 75-plus years of experience and creativity in workforce development, what makes Goodwill Staffing Solutions different from other staffing agencies is the level of customer service offered and the candidate relationships that are formed.

Goodwill Staffing Solutions takes the extra time necessary to develop a personal relationship with each employment candidate, and each candidate is put through an intensive screening process. By developing a relationship with each candidate, Goodwill Staffing Solutions is able to anticipate and prevent potential obstacles to employment, such as lack of transportation or child care, before sending someone on an assignment.

If an obstacle arises while a candidate is on the job, Goodwill Staffing Solutions has the staff in place to find a solution for the candidate, instead of just sending a replacement. The benefit of this service to employers is a much lower turnover rate and happier and more dependable employees.

Goodwill Staffing Solutions is located in the Goodwill Industries headquarters office, 1635 W. Michigan St., and serves 29 counties in central Indiana. The launch will be highlighted by Goodwill Staffing Solutions sponsoring the monthly Human Resources Association of Central Indiana (HRACI) luncheon on Jan. 19.
